

DIVYANSHU CHOUBEY

FRONT END DEVELOPER

SUMMARY

I'm Divyanshu Choubey, an ECE undergraduate at Maharaja Agrasen Institute of Technology. A skilled front-end developer, I excel in creating captivating web interfaces with React, Node.js, and Bootstrap. Proficient in DSA, I ensure efficient and user-centric designs. I also handle backend development using MySQL for seamless database management.

PROJECTS

Expense Tracker

Web Developer Jul 2023 - Aug 2023

"Effortlessly manage your finances with our **Local storage** [Expense Tracker](#). Record, categorize, and analyze expenses using a user friendly interface. Your data is secure and accessible offline, providing a **seamless financial management experience.**"

Weather App

Front End Developer Aug 2023 - Aug 2023

"Introducing our [Weather App project](#) – By leveraging the OpenWeather API, this app lets you explore real-time weather conditions. Find out temperature, wind speed, humidity, and atmospheric pressure with just a click. It's a user-friendly way to stay prepared and make weather-related decisions a breeze."
